DETAILED ACTION

Response to Arguments

1. Applicant's arguments, see Amendment, page 8, line 1 – page 9, line 21, filed 9/29/04, with respect to the rejection(s)of claim(s) 1-7 under U.S.C. 103(a) have been fully considered and are persuasive. Therefore, the rejection has been withdrawn.

Reasons for Allowance

- 2. Claims 1-9 are allowed over the prior art of record. Claims 1-3, 6, 8, 4, 5, 7 and 9 are renumbered as 1-9 respectively.
- 3. The Examiner agrees with the arguments from Amendment, page 8, line 1 page 9, line 21, filed 9/29/04, the prior art of record does not teach the combination of (1) creating drawing data for a designated resolution; (2) controller changes said designated resolution to a drawer one; (3) repeats an input data canalization process from the beginning of the input data when controller detects a memory shortage; and (4) prints at a lower print resolution. Therefore the application is in condition for allowance.
- 4. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Twyler M. Lamb whose telephone number is 703-308-8823. The examiner can normally be reached on M-Thurs 6:30-5:00.

Application/Control Number: 09/551,597 Page 3
